BOAZU LEA EALLIN  
(“REINDEER IS LIFE”)

Guovdageaidnu, Norway  
MARCH 10th, 2020

This knowledge-sharing roundtable will focus on caribou and reindeer as an essential source of life, livelihoods, food sovereignty and cultural identity for Arctic Indigenous Peoples. Discussions will include responses to Climate Change, environmental contamination and government policies impacting our rights and threatening our traditional food systems. It will take place during the 1st Arctic Indigenous Peoples Food Congress, an activity of the Arctic Council EALLU project, from March 9th – 13th, 2020.

NEAREST AIRPORTS: Alta Norway (ALF) and Kittilä Finland (KTT), transportation to the venue will be arranged for invited delegates.

For more information, contact the Congress on-site coordinator Anders Oskal, Secretary General of Association of World Reindeer Herders: Tel. +47 7860 7670, email: foodcongress@reindeercentre.org; or the International Indian Treaty Council (for coordination of delegates to the reindeer/caribou gathering from North America): Nicole Yanes, nicole@treatycouncil.org or Andrea Carmen, andrea@treatycouncil.org.
