

All delegations attending COP 28 are invited to a special side event:

INDIGENOUS PEOPLES' PERSPECTIVES ON THE LOSS AND DAMAGE NEGOTIATIONS AT COP 28 AND BEYOND

Hurricane Maria, Boriken (Puerto Rico), 2017

Chuckegg Creek Fire, 2019, Alberta Canada

SUNDAY DECEMBER 10TH, 2023

16:45 - 18:15 (4:45 - 6:15 PM)

SE ROOM 6, EXPO CITY DUBAI (COP 28 VENUE)

Indigenous Peoples are severely impacted by climate change yet have limited opportunities to impact the UNFCCC negotiations related to preventing and redressing Loss and Damage and respecting their rights in this regard. This side event will highlight key areas of negotiation at COP 28 and opportunities for Indigenous Peoples' engagement in relevant processes including the proposed funding mechanism and grievance procedure.
