2020 Annual Indigenous Peoples Thanksgiving Sunrise Gathering

Important Notice:

For the safety of our community members and elders during the COVID-19 pandemic, IITC's Annual Indigenous Peoples Thanksgiving Sunrise Gathering on Alcatraz Island, attended each year by over 4500 participants, will not take place this year as a public event. We will still be gathering in a small circle to give thanks for our survival, cultures and sacred ways of life, and to send prayers of support and healing to the families whose loved ones have passed on and all those who are struggling to recover from this illness. We invite you to join us via Facebook livestream from 6-8 AM on NOVEMBER 25th, and to listen to the entire gathering on KPFA radio NOVEMBER 26th.
